Can you add me to the Gold King Mine Release Incident EPAOSC page so that I can add photos per Craig's request? Please!

Based on Marty's task list the main thing was the photos.

From the conversation with Jan it sounded like those photos exist and will be posted to the EPAOSC site as soon as is practical.

If that is still the case then I think I'm good.

Hey guys-

Do you need anything from me at this point to support Steve Way?
